

The ULTIMATE Fuel Additive Warranty

Our Commitment to You

DSG Canada guarantees that the use of their additives will not cause any damage to your equipment. DSG further guarantees that it will pay for damage deemed to be caused by the use of our fuel additives.

Our additives meet and exceed current Canadian regulations and standards. Our fuel additives are registered with United States Environmental Protection Agency for use in the United States.

DSG Additives meet or exceed many Industry Standards, including ASTM, Cummins, NACE, EMA and Peugeot XUD9 Test Standards and we guarantee their performance when used in accordance with DSG Canada's recommendations and with the manufacturer's performance specifications. This warranty is in addition to any and all original equipment manufacturer's (OEM) warranties and does not invalidate them.

Ultra Low Sulfur Diesel (ULSD)

DSG Canada guarantees that all of our fuel additives are safe for use with Ultra Low Sulfur Diesel fuel, and do not in any way contravene government regulations pertaining to the use of ULSD.

Diesel Particulate Filters (DPF)

DSG Canada guarantees that our line of fuel additives are compliant to the specifications required by today's Diesel Particulate Filters, and will not harm or adversely affect the performance of Diesel Particulate Filters installed by original equipment manufacturers.

New Generation (Tier 2 and Tier 3) Diesel Engines

DSG guarantees that its additives will not mechanically harm or impede the performance of new generation Tier 2 and Tier 3 Diesel Engines.

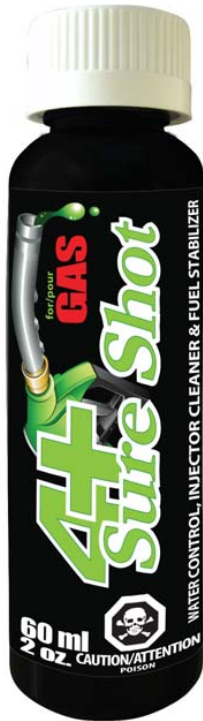

*DSG Canada is 100% committed to you.
We stand behind our products – ALWAYS!*
