

ULTRA FOAM CLEANER

Produces a rich and abundant foam which makes cleaning easier.

Cleans dirt without removing the wax or protective sealer.

Does not dry out plastics.

Concentrated money-saving formula.

Dries easily and does not leave marks.

Silverwax Ultra Foam Cleaner deeply cleans dust stuck on vehicle body without removing wax or protective sealant. The neutral pH formula produces rich, thick foam and maintains dirt in suspension to dislodge it without scratching paint. Product dries evenly without leaving any deposit. Safe for cars and trucks. Cleans metal, chrome, windows and plastic components.
