

WASH & WAX

Gives an extraordinary shine.

Does not remove the wax or protective sealer.

Does not scratch the paint.

For all surfaces.

Silverwax Wash & Wax provides an exceptional shine. The neutral pH formula deep cleans encrusted dirt without removing the wax and sealant protector. The light foam maintains dirt in suspension to dislodge it without scratching paint. The wax dries evenly without leaving any deposit. Safe for all automotive paint. Cleans metal, chrome, glass and plastic.
