

SCRATCH REMOVING CREAM

Removes minor scratches and scrapes.

Restores color and shine.

For all types of paint.

Easy application by hand or with a polisher.

Silverwax Cream removes or considerably fades (depending on depth) scratches on a vehicle body caused by wear. Cleans and decontaminates as well as restores colour and sheen of original paint. Safe for all types of automotive paint. Easy to use, may be applied by hand or with a polisher for a deeper polish.
